Continuum of Care

The Continuum of Care (CoC) program is designed to assist sheltered and unsheltered homeless people by providing the housing and/or services needed to help participants move into transitional and permanent housing, with the goal of long-term stability.

Specifically, 24 CFR part 578.1 of the CoC Program interim rule states that the primary purpose of the CoC Program is to:

1. Promote community-wide commitment to the goal of ending homelessness;
2. Provide funding for efforts by nonprofit providers, States, and local governments to re-house homeless individuals and families rapidly while minimizing the trauma and dislocation caused to homeless individuals, families, and communities as a consequence of homelessness;
3. Promote access to and effective use of mainstream programs by homeless individuals and families;
4. Optimize self-sufficiency among individuals and families experiencing homelessness.

MISSION STATEMENT

The mission of Mid Florida Homeless Coalition is to promote partnerships that ensure homelessness is rare, brief, and non-recurring in Citrus, Hernando, Lake and Sumter counties.
