Actions Needed**

**Motion:** The PR-VI-SPDAT scoring stands as suggested by Org Code, but that additional screening questions be added that would have a "bonus point" added to each question for Homeless Prevention under ESG-CV.

1. Households that have had eviction proceedings initiated through the court system
2. Families that have a Head of Household in the 18-24-year-old age range
3. A member of the household has a health condition that is listed by the CDC as being more susceptible to contract COVID 19.
